NEWPORT COTTAGE CARE CENTRE **30th Anniversary Celebration**

Saturday 4th May

Celebrating 30 years of providing day care at Newport Cottage Care Centre.

A day of celebration, reflection, and looking to the future from 10am to 2pm.

You are invited to look around the centre, see how the centre has developed over the years, since its time as a cottage hospital, to today. You can also look at proposed plans for future development and contribute any ideas you may have.

There will be a brief speech by Dr Nick Tindall, Chairman, at 12o'c.

YESTERDAY TODAY TOMORROW

Message From The Chairman

On 4th May it will be 30 years since the Care Centre opened its doors. Since then it has developed and flourished and it is something that we should all be very proud of.

We are planning to celebrate the 30 years on 4th May with an open day between 10am and 2pm and all are welcome. We will have a display representing the history of the Centre and also the building's previous use as the Cottage Hospital. To that end we are asking for any pictures, stories and memories from any time in that history.

Looking back over 30 years, back to an era when most of us did not have access to the internet, gives the opportunity to try to look forward 30 years to envisage what elderly care might look like then. We have been working on plans for development and propose to show these on the day, but this is just the start of a consultation with the town about how the Centre should develop to help provide care close to home across both health and social care.

We look forward to seeing as many of you as possible at the Centre on the day, both to share memories and to help to plan for the future.

Nick Tindall, NCCC, Chairman

League of Friends

Spring has hit the League of Friends Charity Shop. We have just had our changeover when we completely empty the shop and refill it with Spring and Summer items. We just need the weather to catch up with us now! Our Easter raffle was a great success. Thank you to everyone who bought tickets.

On April 12th we are holding our second Pre-Loved Fashion Show. Seven very brave ladies, who are either connected to the Cottage Care Centre or to Pitchcroft and Church Aston WI, are showcasing some of our lovely clothes. There will be a chance to try on and purchase on the night. Our first show was a lovely event and I am sure this will be too.

Our shop is staffed completely by volunteers and all of our profits go to support the Cottage Care Centre. We hope that we can be a great support to them in the implementation of the plans they have for the future of the Centre.

Mary Young, Chairman of Newport League of Friends.
